## COMPANY STATEMENT

Since its inception in 2000, Elegant Furniture and Lighting has rapidly evolved into one of North America's premier lighting and furniture designers and manufacturers. Headquartered in the historic city of Philadelphia, with showrooms throughout the USA in Atlanta, Dallas, High Point, and Las Vegas. Elegant has made innovative strides in lighting, furniture, and our newest product-lighting. Elegant Furniture & Lighting originally started as a crystal lighting company, which has grown into one of the largest and finest lighting manufacturers today. Elegant has now also evolved into one of the fastest growing vanity and furniture company in the USA.

By channeling the expertise and ingenuity of our entire design team into each product that we offer and through the application of the highest standards of quality control to every phase of production, our goal is to ensure that we can offer our customers a diverse selection of products in order to satisfy their unique and dynamic aspirations and desires. It is our responsibility and privilege to ensure that the "art of decorating" permeates through each luxurious piece we create for you to adorn and grace your home or business.

We at Elegant Furniture and Lighting take pride in our ability to effectively establish and maintain communication with our customers while conforming to their high standards. We understand that the modern consumer desires a product that both imparts the most radiant beauty while providing real, lasting value. Elegant Furniture and Lighting, with the assistance of its dynamic and passionate customers, will continue to progress and improve in order to meet and exceed those high expectations.
