LED TECHNOLOGY

Welcome to the Focus **family**

We have made it easier to research our great quality products by redesigning the New Products Brochure to meet the needs of customers. See in-depth product details, new designs, and an array of quality products, accessories, and LEDs.

Need some design consulting? We can help with that. Speak with one of our knowledgeable sales team members or customer care agents about creating a lighting schedule specific to your project.

We have a great family of sales representatives and distributors located around the United States, which provides you with helpful specs, tips, and answers to all your lighting needs. Let us know if you need assistance in finding the nearest one to you.

Stay connected with us

We love seeing how you have incorporated Focus products into the interior or exterior spaces of your project, home, or business. Just like you, we love showing it off, and we would love to share your inspirational photos.

Follow us on Facebook, Instagram, and YouTube for great helpful tips, new product releases, clearance items and all the latest happenings with Focus Industries.

BEAUTIFICATION THROUGH INNOVATION

INTRODUCING
AUTO IGNITE
TORCHES

The automatic ignition system provides a flip-of-a-switch convenience for igniting and turning off your gas torch. It can be linked to your existing exterior 12 or 120-volt lighting system, or placed on a separate circuit. No need to manually turn on the gas and light the flame. Just flip a switch or connect to a timer.
A smart circuit can be used to plug into and use the APP to control your torches.

Flame monitoring by the ignition system is constant and ongoing. Should the torch die out, it will automatically detect the loss of flame and re-ignite. After three failed re-ignition attempts, the ignition controller will turn off the gas and pause five minutes before attempting to re-ignite.

TORCHES
AUTO IGNITION

AUTO IGNITE

AL18LGNGAI12VCOP

MATERIAL	Copper
SIZE	12in / 18in / 24in I 1.7in dia. (SM)
GAS TYPE	Propane (P) / Natural Gas (NG)
CCT	3000K
LUMENS	300lm
VOLTAGE	12v / 120v
SLEEVE	UVR simulated bamboo sleeve
MOUNT OPTION	FA033P 3 prong stake

AL18CY001NGAI120VSS

MATERIAL	Stainless Steel
SIZE	12in x 3.50in dia. x 6ft sleeve (sold separately)
GAS TYPE	Propane (P) / Natural Gas (NG)
CCT	3000K
LUMENS	270lm
VOLTAGE	12v I 120v
MOUNT	FA24 4,5in brass round canopy
MOUNT OPTION	FA033P 3 prong stake

***For more designs, please reference Focus torch brochure.

DBS997AI12V / DBS997AI120V

TYPE	Direct Burial
SIZE	9in x 9in x 7in
