About Eran Group

PROUDLY A USA COMPANY

From Humble Beginnings to a True Global Operations network

Welcome to Eran Group, where we are dedicated to revolutionizing the world of lights, fans, and electrical goods. With a fresh perspective and innovative strategies, we are here to make these essential products so much better. Get ready to experience a new era of lighting solutions.

We believe that innovation is the key to progress. Our team of experts is constantly pushing the boundaries of lighting technology to bring you products that are not only energy-efficient but also aesthetically pleasing. With our commitment to quality and design, we are redefining lighting standards and creating products that enhance your spaces like never before.

Eran Group and it's own specialized developed brands offer a wide range of products and services to meet our customers needs in a variety of industries.

For more than three decades, Eran has grown from a component manufacturer specializing in lenses, refractors, and globes for the lighting industry to a global operations network tailoring products, engineering, design and logistics solutions to the needs of original equipment manufacturer customers around the world.

Today, our extraordinary innovation, design and manufacturing capabilities makes us the preferred partner for our customers.

Our Story

PROUDLY A USA COMPANY

1988

Our roots date back to 1988. Eran Plastics out of Newburgh, New York, specializing in injection molded plastic components and globes, focused on serving USA and Canadian lighting OEMs.

2000

Eran Industrial expanded its operations into Asia, serving 4 out of the 5 largest lighting OEMs and the majority of lighting manufacturers and top brands in North America.

2023

Fast forward to today, Eran Industrial is based out of Boca Raton, FL with a full in-house product design & engineering team and a 760,000 square foot facility right outside Mobile, Alabama which serves as Eran's main manufacturing & distribution facility.

Eran is building in America!

PROUDLY A USA COMPANY

Eran acquired a 760,000 square foot industrial facility outside of Mobile, Alabama in June 2022, that has been revolutionizing the way we deliver value and cater to our customers' needs. Situated just 26 miles from Mobile's port, our facility enjoys prime positioning for efficient logistics and seamless transportation.

Made in America: At Eran, we take immense pride in being able to offer Made in America products. With our new facility, we can further enhance our products and diversify our SKU range, all while utilizing the same work-in-progress inventory. This achievement is a resounding victory for our valued customer base, who appreciate the quality and reliability that comes with American manufacturing.

Expansion and Adaptability: The scale of our facility opens up new horizons for Eran. With ample space and resources, we are poised to expand into various manufacturing disciplines based on the evolving needs of our customers. By prioritizing their requirements, we can stay ahead of the curve and deliver innovative solutions that drive success for both Eran and our valued partners.

MEDINAH POWER

Why Medinah Power

We are here to make your experience absolutely hassle free

No nonsense Pricing

The easiest way to purchase, You pay what you see.

Easy Stocking Programs

Triple P brings you a ZERO risk player - always wins stocking program.

Hassle-Free Returns

Ship it back and we take it! That easy! Hassle free returns.

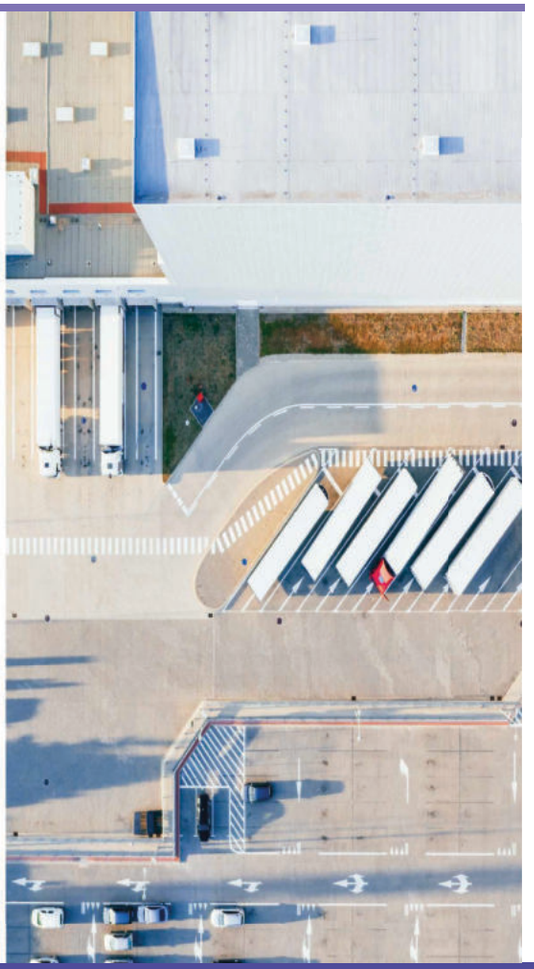
On-Demand Customer Service

Full-service team ready to help with strong support!

Preferred Partner Program (PPP)

Our Preferred Partners who stock three or more product families will get access to Medinah's lowest pricing tier for any order size.

- Always in stock commitment.
- Incredible extended payment terms.
- Free custom showroom display.
- Buy only what you need, No overstock!
- $1,000 pre-paid freight vs our standard $2,500.



Medinah Store Displays

Free for Medinah PPP Members

EDGE-LIT EXIT SIGNS

EDGE-ES-01/02

Sleek safety illumination

- Easy Install
- 120-277V
- Battery Powered
- Single Face

Product Specifications

Housing: Aluminum housing with high grade acrylic panel.

Voltage: 120/277V

Emergency Run Time: 180 Minutes

Battery Charging Time: 24 hours

Battery: Built-in 3.6V 600mAh Nickel cadmium battery for minimum 90 minutes

Finish Color: Aluminum Housing and Clear Lens

Mounting: Aluminum mounting plate allows top, back or end mount

Lettering Options: Red, Green

Performance Specification

EDGE-LIT EXIT SIGN LIGHT

WITH OPTIONAL INDICATORS

EDGE-ES-S-03

Efficient emergency guidance

- Easy Install
- 120-277V
- Battery Powered
- RED EXIT Letter
- Single Face

Product Specifications

Housing: Aluminum housing with high grade acrylic panel.

Voltage: 120/277V

Emergency Run Time: 90 Minutes

Battery Charging Time: 24 hours

Battery: Built-in 4.8V 400mAh Nickel cadmium battery for minimum 90 minutes.

Finish Color: Aluminum Housing and Clear Lens.

Mounting: Plastic mounting plate allows top, back or end mount

Lettering Options: Red

EXTERIOR SECURITY LIGHTS & POLES

LED WALLPACKS

WPL Series

Shine Brighter, Farther.

- Diecast Aluminum
- Easy Install
- 0-10V Dimming
- 120-277V
- Wet Rated
- Integral Photocell

Product Features

Light Output: 8000 - 16,000 Lumens

Wattage: 60 – 120 Watts

Replaces: Up to 400W MH

Efficacy: Up to 142 LPW

CCT Options: 4000K, 5000K

CRI Options: 80 CRI

Finish Options: Bronze

Mounting: Wall Mount

Housing: Die-cast Aluminum

Diffusor type: Polycarbonate

Next-gen performance
at outstanding value.

- Diecast Aluminum
- Easy Install
- 0-10V Dimming
- 120-277V
- Wet Rated
- Type 3 Optics
- Integral Photocell

Product Features

Light Output: 14,500 – 29,000 Lumens

Wattage: 100 – 200 Watts

Replaces: Up to 400W MH

Efficacy: Up to 145 LPW

CCT Options: 4000K, 5000K

CRI Options: 70 CRI

Finish Options: Bronze

Mounting Options: Direct Arm Mount, Universal Mount, Trunnion Mount, Yoke Mount, Slip-fitter Mount **(Sold Separately)**

Housing: Die-cast Aluminum

Diffusor type: Clear Glass

IP65 -31°F to 122°F 5 YEARS

Cover

Product Features

Build Quality : ASTM A500 Grade C (IS 2062 E350) with minimum yield strength of 50,000 PSI.

Base Plate : Base plates constructed of high strength ASTM A36 steel with 36,000 PSI minimum yield strength.

Finish : Hot dip galvanized base coat with TGIC-free polyester powder coat bronze finish.

Anchor Bolts : Galvanized high strength ASTM A55 anchor bolts (set of 4) with 55,000 PSI minimum yield strength.

ROUND STRAIGHT STEEL POLES

RSS Series

Embrace the Curves: Round Poles

Included Accessories:

Anchor Bolts

Template

Base Plate Cover

Hand Hole Cover

Product Features

Build Quality : ASTM A595 Grade A Carbon steel (Q235B) with minimum yield strength of 50,000 PSI.

Base Plate : Base Plates are carbon steel (ASTM A36).

Finish : Galvanized black polyster powder coat finish.

Anchor Bolts : Anchor bolts are partially galvanized per ASTM A153 specifications and furnished complete with 2 hex nuts and 2 plate washers

Mounting : These poles are built with a tenon top.
Single, twin, 180 and quad mounting brackets available (Sold Separately).
