We love to use noble materials, as in this case: hand-turned ceramics and blown glass. The artisan's hands make each piece unique. These ingredients dressed in natural colors, will turn any stay into a zone of harmony.

Nos encanta utilizar materiales nobles, como en este caso: la cerámica torneada a mano y el vidrio soplado. Las manos del artesano convierten cada pieza en única. Estos ingredientes vestidos en colores naturales, convertirán cualquier estancia en una zona de armonía.
